

Coppess/Haller > These students are not independent on Chromebooks. Access the agenda, follow the same links but use the coloring sheet in place of the word search. Instruct them to color each element a different color, Keyboard, Monitor, timon and pumba, as well as each letter a different color. This helps many students slow down and color inside the lines. Review the tips as they color and tell them they will be telling families safety tips learned today.
