

Welcome to McAlear-Sawden Media

Friday 3/19, 2021

You will have 4 classes. You will have arrival and dismissal duty daily.

You will go to classrooms to teach. *The map is behind this sub plan in my folder.along with the classlists.*

Sanitizing wipes> I have this small package I use for wiping down the teachers station and the classrooms have a tub for student use when needed. Each student should be aware of their classroom and building expectations with wipes and sanitizer.

Emergency routes are posted at each classroom door. Most have a red door sleeve in case of a lockdown. It slides over the silver pumps on the inside of the door preventing them from opening.

The office extension number is 2203 or 2204

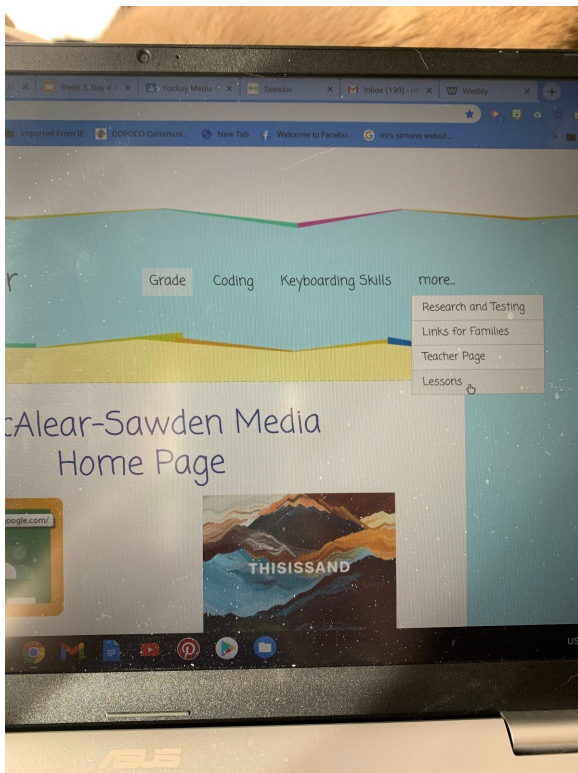

2291 in an emergency

The computer login: **mcalearsub** password: **2300midland**

Adult Bathrooms are in the office, near the gym and in the teacher lounge.

Use the teacher stations, doc cameras and projectors in each class.

Go to my website, Weebly Ritter [mrsritter.com](http://mrsritter.com) Here you will go to the **more...** and the last option is Lessons Here is where you can access links on what you need to teach. Go to the correct Agenda for those links.

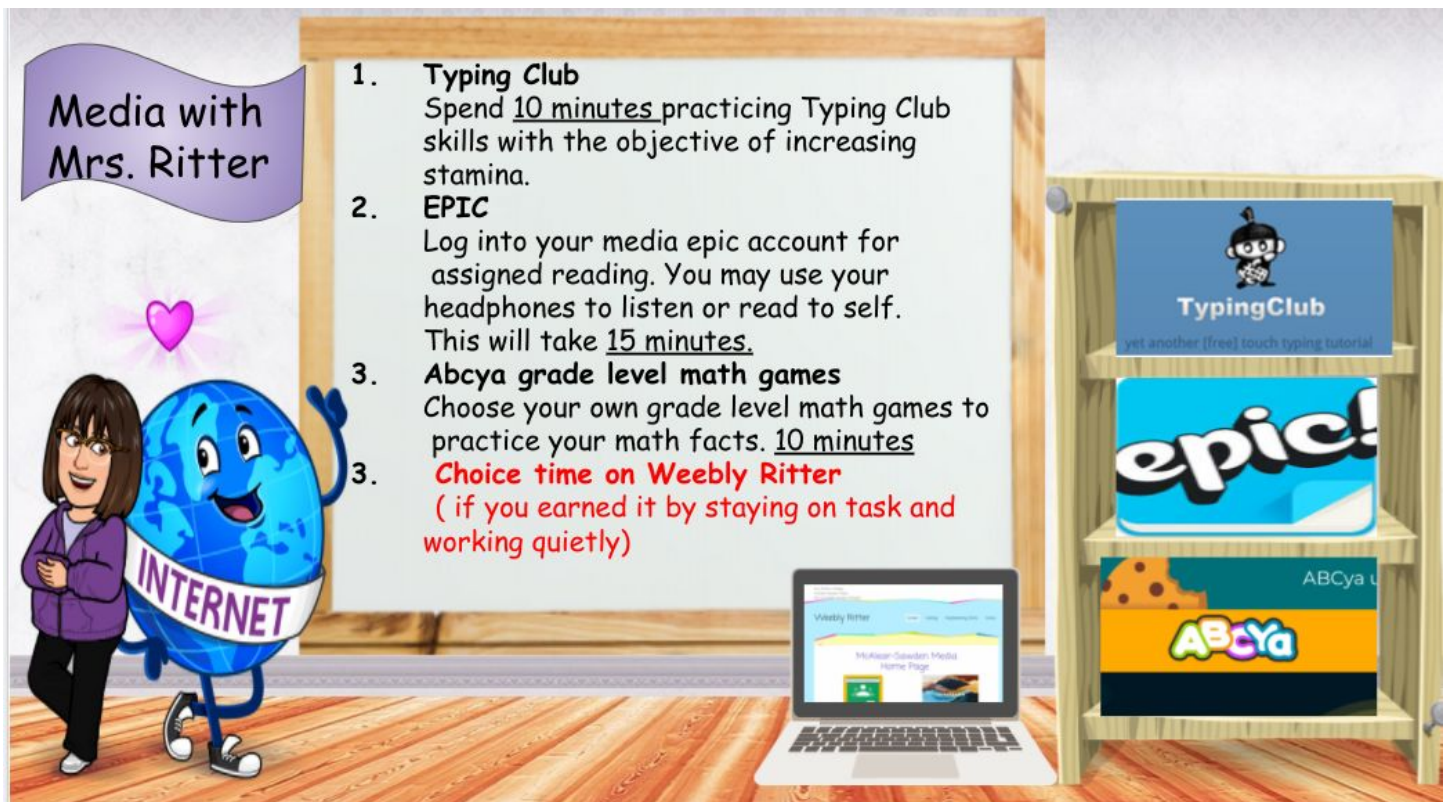

I have activities on the table near the media center door in case you need NON TECH activities. Hopefully the internet and websites will be fine. I also have some coloring pages. Just note if you use any of these so I don't duplicate it down the road for these classes.

Janicke, Trabalka and Yockey> Students will be on Typing Club when you enter the room. This gives you time to wipe down the teacher station and log in and pull up today's agenda. Notice the time as they type quietly the first 10 minutes of class. I extend that expectation if they are chatting or not typing as

expected.

After 10 minutes of typing in Typing Club, direct them to the agenda to know what we are learning and doing today

They are reading in their EPIC account. Their code is tkt8509 and I have assigned to them a variety of nonfiction books that they may choose from for silent reading today. They can choose to have the titles read to them. They must wear headphones for that. Each class has headphones. Also they must do this for 15 minutes.

3. They will choose from any abcya math grade level games > 10 minutes

4. IF they earned it, they may have choice time on the Weebly Ritter. You may extend them back to any earlier choice if they have not earned choice time today by working respectfully and quietly in their seats.

### Scharf > 12:50-1:35

- **12:50-1:05** Students will be logging into their chromebooks and start with Teach Your Monster to Read. This is the first 15 minutes of class.
- Access the agenda, follow the steps as you did with Janicke to open the agenda on the white board while after the students are working.
- **1:10-1:25** Instruct them to go their agenda in Seesaw. They will click on the activities there. They may move at their own pace today. Meaning they may choose to visit some or all the posted activities and links.
- **1:25** Call them to close their chromebooks and remove headphones so they can come to their carpet squares for today's story. I usually switch the doc cam to share on the projector.
- **1:25-1:35** Read My Friend is Sad? By Mo Willems.
